

1. How do I reserve a tee time?

Tee times may be reserved either in person or by calling the Pro Shop at 264-3709 (DSN) or 0467-63-3709 (Comm). Active Duty personnel may reserve weekday tee times three weeks in advance; all other authorized patrons may reserve weekday tee times two weeks in advance. Due to demand, weekend tee times require players to fill out a tee time request form either in person or over the phone. These requests are prioritized by the Golf Club Staff according to the requestor's status. Official weekend tee times will be disclosed to the public by 12 p.m. every Tuesday and can be found on the [NAF Atsugi Golf Club Facebook](#) page or by calling the Golf Course Pro Shop. After announcement of the weekend tee times, all remaining available times will be given at a first come first served basis. If you have any questions or would like to reserve your tee time, please give the Pro Shop a call and our friendly staff will be happy to assist you.
